

Alan Steiman Symposium Scholarship Application

**Thank you for judging the 8th Annual
Alan Steiman Symposium Scholarship entries!**

Instructions for AS Scholarship Award Judges:

- 1) Read through this entire page and the response guidelines (below) our applicants had to reference to familiarize yourself with entry procedure.
- 2) Read through response for each entry.
- 3) Considering the questions asked and the responses we received, please choose your *TOP THREE* applicants.
- 4) Rank these *TOP THREE* in order with the best being #1.
- 5) Record your results and comments on the Assessment/Result Pages located in this document.
- 6) Submit your results by **May 8, 2017** via email to Kaitlyn@sima.org or fax at 414-375-1945.

The response guidelines and assessment sheets are in the following pages of this packet.

Alan Steiman Symposium Scholarship Application

Response Guidelines:

Please read over each entry. To qualify for this award, each applicant had to be a current SIMA member, have never attended a Symposium, and answer the following questions:

Question 1: *Describe one person in your life who has served as a mentor for you, and the impact that person has had on your life.*

When reading the responses, consider the following...

- 1) Was a mentor named?
- 2) What did applicant learn from this mentor?
- 3) How is the individual currently using this guidance?

Question 2: *Why should SIMA award you a Symposium Scholarship?*

When reading the responses, consider the following...

- 1) Was a reason indicated?
- 2) Did the applicant respond to how he/she would use the Symposium as a tool?
- 3) Did the applicant show financial or personal need?

Question 3: *What is your single favorite thing about managing snow and ice?*

When reading the responses, consider the following...

- 1) Was an item indicated?
- 2) Did the applicant show an emotion for the industry?
- 3) Did the applicant show dedication to the industry?

Question 4: *Please include a description of how you are in the snow and ice industry (# of clients, # of employees, how long you have been in the snow business, etc.)*

When reading the responses, consider the following...

- 1) Was a description provided?
