

Philanthropic Leadership Award | Entry Questions

Responses need to be submitted online. This document is to help you prepare your submission.

1. Please tell us about the organization you selected and explain why you selected them.
2. What have you done for or given to this organization in the past year?
3. Tell us about what you or the nominee have done for, or given to other non-profit organizations this past year, including any mission trips you/they have been on, or local events you/they have organized, discounts for services, money you have donated, etc.
4. Is the company active in organizing or participating in any other local events that may not have been described above? If so, what are they?
5. Are employees encouraged to volunteer or give to charities? If so, how?
6. Does your company have a mission's statement? If so, what is it? (Answer not required for acceptance)

During the application process, you will also have to list the organization you would like a donation to go to if you win. We ask that you also include a contact name, phone number and address for that organization.
